If you would like to order one of these packages, please contact your account manager who will be able to assist you. If there are any other items that you would like to order that you cannot see in the packages then please contact one of our furniture suppliers whose details can be found in the exhibitor manual.

Please note that for health and safety reasons shelving will no longer be adjustable once set in place. Please submit a shelving plan to Freeman to ensure the shelves are where you would like them - if you wish to adjust your shelving onsite you will have to visit the Freeman Service Desk and a stand fitter will move them for you.
